

# Discussion Posts

1 You may come across Discussion Post activities within your course.

2 To complete the activity, you need to create a discussion post and reply to an existing discussion post. First, click the Discussion Forum.

The screenshot shows a course navigation menu on the left with the following items: Introduction (highlighted with a '1' in a blue tab), Cycle 1, Cycle 2, Cycle 3, Cycle 4, Cycle 5, Cycle 6, and Mastery and. The main content area on the right displays three items: 'Handout 1: Children's Books about Health, Safety, and Nutrition' with a 'Link' icon, 'Intro: Video 2' with a 'Video' icon, and 'Intro: Discussion Forum' with a 'Discussion Topic' icon. The 'Intro: Discussion Forum' item is highlighted with an orange circle. Below this item, the text 'Answer these questions by responding in compl' is visible, followed by a numbered list of four instructions: 1. Introduce yourself in 5-8 sentences (include: your r children, and an explanation of why you chose this; 2. Give an example of how you are already promoting health, safety, and nutrition (three examples total); 3. In 5-8 sentences, tell what your challenges are, and; 4. Reply to at least one other participant by comment.
